Encouragement from Pastor McGill

Seize the day

Titus 3:8

*This is] a faithful saying, and these things I will that thou affirm constantly, that they which have believed in God might be careful to maintain good **works**. These things are good and profitable unto men.*

Make this a productive day in the Lord. God has given this day to you for His glory.

Don't procrastinate. Take time to encourage someone else. I've found that when I am doing for others God somehow does for me. If you think about something more than once, do it. You may have been thinking of calling someone or you may be thinking of a friend's dilemma, that's a signal for you to pray for that person or call them and tell them you are thinking of them today and you are praying God's best for them. Do you have a list of things to accomplish today? Take pride in writing them down and checking them off as you accomplish them today. God made us to be productive you'll find that you feel much better about yourself when you seize the day and produce fruit that pleases the Lord. You are God's best and He chose you for such a time as this. Be Encouraged and Have a blessed and productive day.

Blessing and Peace
